

ACTUARIAL SOCIETY
of
H O N G K O N G
香 港 精 算 學 會

24 January 2017

Dear Members,

**The Actuarial Society of Hong Kong (“ASHK”) –
Consultation
Professional Conduct Code**

As part of the Actuarial Society of Hong Kong’s initiative to establish the ASHK as a Statutory Body, ASHK Council is taking steps to upgrade the [existing Professional Conduct Code](#) which was first issued to ASHK members in 1997 and applicable to all members.

The Professional Matters Committee was appointed by Council to undertake a comprehensive review. After much effort the Professional Matters Committee produced the attached revised Professional Conduct Code.

It is the intent of the Professional Matters Committee to reformulate the Code as a high level, simple, yet effective code with annotations to five basic principles:

- 1) Integrity
- 2) Compliance
- 3) Conflict of Interest
- 4) Confidentiality
- 5) Communications

At its meeting on 16 January 2017 Council endorsed the proposed revised Professional Conduct Code for member consultation. Please address all feedback to Ms. Pat Kum (email: patkum@actuaries.org.hk) by close of business day on **23 March 2017**.

Thank you for your time and support.

Yours sincerely,

Peter Duran
Chairman
Professional Matters Committee

Encl.
